

The name change, coinciding with their 7th anniversary, is a declaration of a new era for the group.

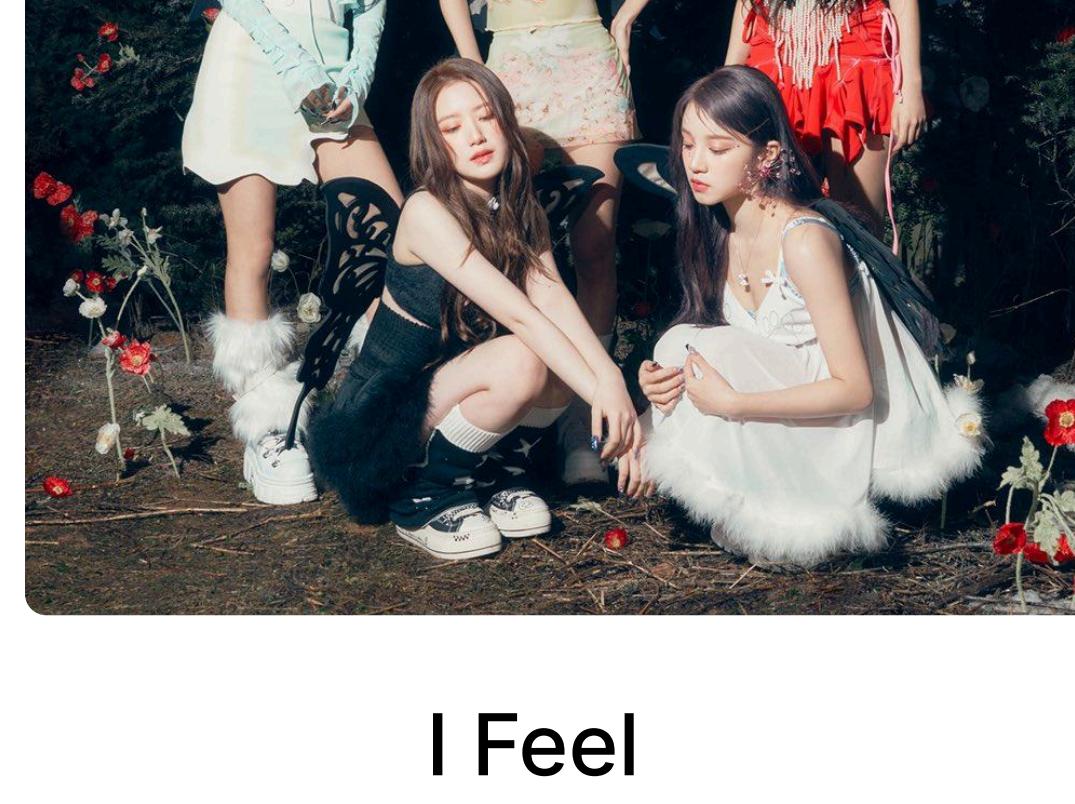

Recent comebacks

We Are

A sarcastic and confident response to a former lover, with lyrics that portray a "good thing" that actually signifies the opposite.

I Feel

The album title and rebrand emphasize the members' synergy and collective growth, moving from individual identities to a unified whole.

I sway

The lyrics and overall theme of the album express a desire for lasting passion and love and have a general summery, relaxed feel.

Awards

Key Details

- Content: The film features performances of hit songs like "Super Lady", "LATATA", "Queencard", and "TOMBOY". It also includes some short segments where the members talk about their thoughts on the performance and their fans, with subtitles provided during these talking parts.
- Format: It was available in standard 2D, as well as immersive formats such as 4DX, SCREENX, and ULTRA 4DX, which aim to simulate the live concert experience with motion seats and environmental effects.
- Experience: A key highlight noted by attendees was the excellent audio mixing, which provided clear vocals and loud, impactful music in theaters with good sound systems. The film had a runtime of approximately 1 hour and 42 minutes.
